Respected Sir,

Sub: Humble request to consider long standing transfers of Engineers in Quality Control & Inspection unit-Regarding.

We (Irrigation & CAD Department Engineers) beg to submit a few lines for your kind consideration that, we have been working in the Irrigation Department since last 15 years in different sections by keep on changing sections ourselves to get overall experience in the department like Construction, Hydrology & Investigations and in Designs, but we are unable to get a chance to work in Quality Control & Inspection Unit due to many of the Engineers(DEEs/AEEs) working in Quality Control & Inspection Unit years together.

Further, a humble request to the Hon'ble minister for Irrigation that kindly consider long standing transfers of Engineers(DEEs/AEEs) in Quality Control & Inspection unit, so that we can get a chance to work in Quality Control & Inspection unit for experience.

For which act of kindness we shall be ever grateful to you.

Most respectfully yours,

(I & CAD Department Engineers)
