Ref:- 1.Additional Secretary, Ministry of Water Resources, RD & GR, GOI, Newdelhi, D.O.No.03/1/2017-DSRD/IDSE-2019/1595, Dt.20-09-2018.
2.Govt., Memo No.9883/Genl, A1/2018-1, Dt.27-11-2018.

*** **

It is to inform that, the Central Water Commission (CWC) in collaboration with Odisha Water Resources Department and the World Bank is organizing the “**International Dam Safety Conference -2019**” during the period from 13-02-2019 to 14-02-2019, at Bhubaneswar, Odisha. Details of the event are available on the Conference website:<http://damsafety.in/idsc2019> and same has been informed to this office vide reference vide 2nd cited.

About 700 delegates from India and across the world expected to participate in the Conference. Several national and overseas organizations will be showcasing their technologies, products, instrumentation and services relevant to the dams and appurtenant works in the exhibition during the Conference. Several international organizations of repute as well as various National Committees on Large dams are taken on board as organizing partners and technical content is being planned to reflect the global concerns, perspectives, experience and expertise.

The programme is meant for professional engaged in operation and maintenance of dams other key stakeholders may contribute technical papers reflecting their dam safety concerns and solutions and participate in the Conference. There is no participation fee for attending the Conference. Participants are required to make their own arrangements for stay, transportation and other incidents.

It is to inform that, the registration of delegates and submission of Technical Papers for the Conference shall only be done online at the Conference website and the organizers will not be able to entertain the technical papers and delegate nominations received by any other means.

Therefore, the concerned Unit officers are requested to nominate the officers working under their control engaged in operation & maintenance of dams, may contribute technical papers in respect of dam safety through online website:
