

**GOVERNMENT OF TELANGANA
IRRIGATION & CAD DEPARTMENT**

From
Sri B. Nagendra Rao, M.Tech
Engineer-In-Chief (Admin),
Irrigation & CAD Department
Errummanzil, Hyderabad-82

To
All the Engineer-In-Chief,
and Chief Engineers of
I & CAD Department

Letter No. ENC (AW) / EE (A)/ DEE(e-Gov)/AEE6/OTs & CDs/2019, Dated:14-05-19

Sir,

Sub: Construction of Off take sluices (OTs) and Check Dams (CDs) Extending Mission Kakatiya IT System for monitoring and Bill processing – regarding.

For better monitoring of Construction of Off Take sluices (OTs) and Check Dams (CDs), an IT system is being developed in association with Centre for Good Governance. The services for updating status and processing bills of OTs and CDs are being incorporated in the existing IT system for Mission Kakatiya (<http://missionkakatiya.cgg.gov.in>) which is already integrated with Bill Monitoring System of Finance Department.

All the Engineers of Irrigation & CAD Department associated with construction of Off Take Sluices and Check Dams have to mandatorily use the IT system <http://missionkakatiya.cgg.gov.in> and update all the details pertaining to Technical Sanction, Agreements and progress of works regularly. All the work bills have to be generated through the IT system only.

Going forward, services to generate design, drawings and estimate will also be provided in the proposed IT system, after which all the estimates have to be generated and approved online, detailed guidelines will be issued after the features are enabled.

Therefore it is requested to direct all the concerned Engineers to act accordingly.

Yours faithfully,

Sd/- B. Nagendra Rao dt: 14-05-2019
