

Office of the Engineer-in-Chief(Admn.Wing)
I&CAD Department , Hyderabad

From
Sri J.Vijaya Prakash, B.Tech.,
Engineer-in-Chief (AW),
Irrigation & CAD Dept., Jalasoudha Building,
Errummanzil, HYDERABAD-82.

To
All the Engineer-in-Chief's/Chief Engineer's
Irrigation & CAD Department,
Government of Telangana.

LetterNo.Rc/ENC(AW)/EE(A)/DEE-1(eGov)/AEE/Website dated:15.07.2016

Sir,

Sub: Irrigation & CAD Department – Updation of Project Information in
Irrigation Web Site by the concerned project authorities –Reg.

Ref: Arising

This is to inform that a web-site has been developed two years back and
deployed on the web site with URL: <http://irrigation.telangana.gov.in>.

At the time of creation of the web-site, Project related information pertaining
to the Major/Medium Irrigation Projects (completed/ongoing/contemplated), as
available in P&M cell of this office, was published on the web-site. The content of the
web-site, being static html pages, is not reflecting the current status.

In order to reflect the current status after re-engineering, the data pertaining
to the projects with respect to scope of the project, packages taken up, Land
Acquisition status, physical progress, budget, expenditure incurred has to be
updated regularly online by the concerned project authorities.

The services required for dynamic update of the project information are being
developed and will be made available on the web-site very shortly. Hence all the
HOD's are requested to entrust the responsibility of updating/monitoring the project
information to reflect the current status of all the projects (online) in their
jurisdiction, duly nominating a Nodal officer and inform their Name / phone number
to this office at the earliest.

This may be treated as most urgent, since it reflects on the performance of the
department as it is in public domain.

Yours faithfully,

Sd/- J. Vijaya Prakash dt: 15-07-2016
Engineer-in-Chief (Admin)
Irrigation & CAD Department

J. Vijaya Prakash
15/7/2016

For Engineer-In-Chief(A.W)
